#### MONTHLY NEWSMAGAZINE FOR MEMBERS OF THE ESCARPMENT PROBUS CLUB MILTON, ONTARIO, CANADA

Volume 5 - Issue 12 - December 2017

### Frosty Mornings

**Robyn Balfour** *President* 

s the weather cools, Escarpment Probus members are keeping pace with our activities. November and December are occupied with juggling the calendar, jammed with activities, Probus Clubs, and the festive season.

The Halloween Party was a great success and so much fun dressing up and "kicking up our heels" to Rocking Rob. Very well organized, thanks go to Pete Shermet, (the headless horseman) and his team.

Flamboro Race Track, 'you win some you lose some' as the beautiful horses raced in snowy, cold conditions. Thank you Ron Millichamp for organizing this exciting evening, enjoyed by 60 Probians.

Our new monthly meeting venue, met and in some areas exceeded expectations. Members have commented on how pleased they are with the change in venue. One Probian pointed out, that for people who wear hearing aids, and not only people who wear hearing aids, it is very difficult to hear if other members are talking at the same time as the speakers. Please let's all be cognizant and considerate of this. Let's all make the most of the coffee break for socializing.

Last chance for tickets to the Luncheon is **Dec. 3** 

Details on page 15

(see map/directions on page 11). The December meeting will start at 10:00am and be over by 10:30am followed by coffee and cookies. Doors will open at 9:30am. During the half hour meeting period we will announce any new activities and signup sheets will be on hand. Christmas lunch and entertainment, for those who signed up, starts at 11:00 a.m. This will be our 5th Christmas Lunch, all previous years have been a fabulous success. The entertainment promises to be excellent, the food is reputed to be very good, and a great social time will be had by all.

The December 13th monthly meeting and Christmas Lunch will be held at Granite Ridge Golf Course.

Prizes!! Prizes!! Let your Christmas outfits dazzle. See you all on December 13th 2017.

I would like to take this opportunity, on behalf of the Escarpment Probus Management Team, to wish you all a wonderful Christmas and a happy, healthy, and prosperous New Year.

### Our December Entertainer

### Kiley Joe Masson 88 Keys - 10 Fingers - 1 Voice

There will be NO December Speaker as we will be holding our Christmas Lunch program, where we will be entertained by Kiley Joe Masson.

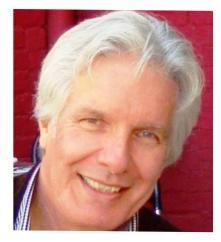

Kiley Joe grew up in the small town of Princeton, Ontario -- population around 500. It was there he honed in his talents as a Vocalist and Rock & Roll piano player.

Kiley Joe has dropped four albums, and released several songs to Canadian and European Country radio throughout the 1990's. Among the songs released, his most popular was a self-penned tune entitled, "Shame On Me" which shared the European Country Music charts with the likes of Brooks & Dunn and Reba McEntire, and tapped in at 49th on Country Music News' top 100.

He also released a song which he penned in high school that became quite popular among the Canadian Legions in Ontario entitled A Soldier's Memories. The song, a powerful ballad closing with a lonely, distant drum, was released to Canadian and European Country radio and is featured on several radio programs in Ontario for their Remembrance Day specials.

Kiley Joe, after working as a "single act" for more than 15 years, now performs with a 5-piece band at several Jamborees and Festivals across Southern Ontario.

### Our January Speaker

### Ron Base — Sanibel Sunset Detective mystery novelist

former newspaper journalist, magazine writer, and screen writer, Ron Base has written for the Windsor Star, the Toronto Sunday Sun, and Maclean's magazine.

He has also written for many American publications ranging from the *Los Angeles Times*, the *Washington Post*, and the *Chicago Tribune* to *Cosmopolitan Magazine*. For the better part of a decade he wrote about movies for the *Toronto Star*, the country's largest circulation newspaper.

In addition to his Sanibel Sunset Detective mystery novels, which have become Florida bestsellers, Base has recently introduced a series of mystery novels set around Milton, beginning with *The Escarpment*. He's currently working on a sequel, *The Mill Pond*, to be published in the spring.

Base lived in Los Angeles for several years where he wrote a book about the history of movie stardom published in the U.S., Britain, and Canada called *If The Other Guy Isn't Jack Nicholson, I've Got The Part.* 

He's also written many screenplays and has lived in Montreal, Paris, and Rome.

Base was born and raised and educated in Canada. He and his wife, Kathy Lenhoff, divide their time between Milton and Fort Myers, Florida, not far from Sanibel Island where his mystery novels are set.

November's lunch at Turtle Jack's

### Join your friends for lunch in January

By Bonnie Lennox — Convenor

There is no lunch bunch in December because of the Christmas Party.

The Lunch Bunch resumes in January and will be at Swiss Chalet.

If you purchase a festive special before the new year, don't forget to save the coupon to use at the lunch!

## "24" times 3

#### By Martin Capper - Convenor

Lunch Bunch Banter

he November meeting had 18 members turn out, most of whom managed to play at least 5 games. High score honours were shared between Bonnie Lennox and

Ellen Crawford with scores of 24. Ellen went a step further and repeated her 24 two more times!

Unbeaten for the evening was Cliff Read and everyone won at least one game! In one game the two players had identical hands including a jack each neither of which was his nibs!

Thanks to Ellen, Megs, Wayne, and Bonnie for snacks and cakes.

### Greeting Cards

If you know of a member who is ill, hospitalized, or moving out of the area and not re-joining our club, please advise Lorrette Shermet at lorrette@sympatico.ca or 905-878-1293.

## Headless Man Terrorizes Partying Probians

by Pete Shermet - Organizer

he dance kicked off promptly at 7:00, and I want to extend a special thanks to the "Decorating Committee" who helped prepare the hall and clean up afterwards. We bopped to the music of Rockin Rob Hewlett and I don't think the dance floor was empty until the food was served. He played music from our era, the 50's - 60's - 70's & 80's and

we all had a great time.

What's a Probus event without wine prizes?

• *Best Costume* was the **Headless Horseman** (Pete Shermet) who won a Coffin Ridge wine called Back from the Dead Red.

• *Second Place* was **The Sultan of Brunei** (Ron Millichamp) who won La Cuvee Mythique Halloween Pays D'OC which came complete with it's own black cape

• *Best Couple* was won by **Raggedy Ann and Andy** (Ellen and Paul Crawford) who won Moselland Black Cat Riesling in a Black Cat bottle no less!

Thank you all who dressed for the occasion , it made it just that much more fun! We played a couple games and had some spot dances, of course all with wine as prizes. Every one was getting hungry after expending all that energy dancing so sandwiches, cheese , dessert, tea and coffee was served but the dancing continued until the end. All in all another successful event! A big thanks to the outgoing and incoming Activities Committee for past and future events!

### Triple Move! by Diane Comstock - Correspondent

The Thursday Joker club was hosted by Stephen & Diane Comstock with eight players in attendance. One of the foursomes took forever to get through their first game, but once finished, quickly caught up. In all, nine games were completed. The move of the day was played by Chris Wallhouse with a 7: he moved 4 spaces to land on his partner, thus moving his partner's marble in front of her home. One of his marbles was sitting there, so it was moved to in front of his home. An opponent's marble sat there, thus it was knocked back to start. Chris then moved 3 spaces into his home to finish his seven. As usual, I forgot to take pictures.

### On the Move!

Twelve players met at Lorrette Shermet's home on Wednesday, Nov. 22. Norma and Martin Capper were constantly on the move as they both won all their games as the winners moved from table to table.

### Lively and Loud by Christine Willekes - Convenor

On Thursday November 16, the Knitting Group (Chicks with Sticks) met at the home of Ellen Crawford. Thank you Ellen for hosting the group. We were joined by three new members. Welcome to Robyn Balfour, Leslie Houlihan, and Theresa Spano. We had a lively and loud (as remarked by Paul) discussion of projects, patterns. and ideas.

Since December is such a busy month, the decision was made to have our next meeting in January.

It will take place on Thursday January 18 at 10:30am at the home of Norma Capper, 82 Miles St. in Milton.

### Off to the Races! by Martin Capper - Past President

espite the first snow of the season more than 60 members enjoyed a night of food, fun, and racing at Flamboro Downs. Our Group was so large they dedicated the fourth race to Escarpment Probus.

Dinner was no sooner finished when the first members started lining up to make their fortunes. Didn't hear of any significant fortunes being won but Chris Strachan succeeded in picking 5 winners - unfortunately he chose to back them for a "show" only and won pennies instead of dollars!

Highlight of the evening was some of our members got to pose with the horse and driver winning combination in the fourth race. Photographs may be a little blurry and I strongly resist any suggestion that was a result of the alcohol consumed!

### Cooking, Theatre, and Bowling

By Anne Marie Stockley - Activities Chair

our Activity Committee enjoyed the spacious new venue of our November meeting. The "chequewriting" table has cleared the congestion at the Activity table making it quicker to register for events. Display sheets with the information of each event will be on that table with paper and pens to jot down the information as a reminder.

We had signups for the following activities in the new year:

- Eats from the Far East at Loblaws Superstore on January 25th, 2018 at 1: to 3: in the Upstairs Kitchen

- The Milton Players performance of Noises Off at the Milton Arts Centre on Saturday afternoon, February 10, at 2:00 pm.

- Bowling at Champs on Bronte on Wednesday, February 28th, at 10:30 am.

We will have the signup sheets at the meeting and Christmas Luncheon on December 13th at Granite Ridge Golf Course.

Men of the Deeps played to a full house on November 29th at the Burlington Performing Arts Centre. A wonderful performance and 40 fellow Probus members enjoyed singing along. Music, stories, and jokes made you feel good just being there.

Several tickets for 'Elvis Wonderful World of Christmas: Graceland Edition' on December 10th were not picked up. I will have the tickets with me at the event. The concert starts at 7:30 pm, at the Milton Arts Centre.

I mentioned tours of the Ford Motor Company in Oakville are being planned. This would be in March or April so we have plenty of time to get the information to you. It appears to be popular as 10 members asked to be pre-registered so a signup sheet will be available at the Christmas Lunch.

Have a great Christmas everyone.

## Big Group for Bridge

By Jeanne Reid - Convenor

On Tuesday, Nov. 7th, we had our monthly bridge game at the home of Ray and Shirley Mathews. There were 16 players, a big group. Ellen Crawford was the first prize winner with Ann Corker coming second.

If there are any bridge players out there, please think about joining us. We have a good time, eating, (drinking), and trying to outwit the bridge demons.

Our Christmas luncheon will be at Jeanne Reid's home on Dec. 5th. We'll start at noon (an hour earlier than usual).

### Audition, A Memoir by Linda Green - Convenor

n Wednesday November 8th only three members of the Trilogy Book Club met to discuss 'Audition, A Memoir' by Barbara Walters. It was very easy to read but a very long book, over 500 pages. We all found it became a little monotonous as she described her interviews with heads of state, world leaders, movie stars, criminals, murderers, inspirational figures, and celebrities of all kinds. Barbara was very candid in describing her personal family life from birth to the present day and that information gave insight into her life long career as a journalist.

One of us didn't like the book and didn't finish reading it. The other two enjoyed it for the most part and found her life quite fascinating. We all were in definite agreement in stating that "we wouldn't have wanted her life."

A great read for someone with lots of time on their hands!!!!!!

Our next meeting will be Wednesday December 6th at 10:00 am at the Symposium Restaurant at Derry and Holly. We will be discussing the Book "A Spool of Blue Thread" by Ann Tyler.

We are also looking for New Members. Anyone who thinks they might be interested in joining a Book Club please consider joining us! We have wonderful and interesting conversations and much fun.

#### Probus Jackets

#### by Harold Grace - Vice-President

At the November meeting, samples of the new proposed Probus Jackets were shown to the Club. The jacket that was chosen is in the colour Cobalt Blue and will have the Probus logo on the left chest.

The price of the jacket, inclusive is \$45. The Key Centre, a local Milton company on Nipissing, will be at our January 17th meeting with samples of the various sizes for you to try on. Orders will be taken at that time.

- Lightweight Softshell Jacket - Women's jackets are slightly tapered more than the Men's jacket.

- 100% polyester mechanical stretch jacket with inner fleece collar.
- YKK Front and pocket zipper closures.
- Adjustable tab closure on cuffs.
- Available Sizes XS 4XL

We checked with the supplier and the jacket cannot come with a hood. The jackets are water repellant and breathable.

### The ugliest of ugly Christmas sweaters

By Alan Jordan - Occasional Correspondent

hristmas is close and it is time to get out those ugly Christmas sweaters that you hid last year. If you feel that your last year's presentation was not ugly enough, how about getting something like these and be the envy of absoluely no one. Note: not to be worn at Probus events.

### Cutting For Stone By Ellen Crawford - Correspondent

ur book club met to discuss Cutting For Stone by Abraham Verghese. I thought our members would kill me for choosing such an involved book of over 600 pages. Some struggled with the book while others thought it was one of the best books they have read. The ratings ranged from 7 to 10. However, two did not become engaged enough to finish and were unable to rate the book.

This deeply layered novel spans 50 years as well as countries in three continents. The author explores numerous aspects of life: physician care, siblings, twins, adoption, Ethiopian life, revolution, relationships, and the gulf between rich and poor. Since the author is a physician, many graphic perhaps gruesome details were documented giving some the feeling they could almost perform surgery. The three nurses in our group were very taken with the book. The characters are well developed each suffering losses and wins at times, finally resulting in peace and reconciliation.

Perhaps if the author omitted some of the medical details the book could be condensed, however in doing so that may take away some of its authenticity.

I have included a picture of how I introduced the theme.

If you can persevere with the read I am sure you will find Cutting For Stone well worth the effort. You will have to read the book to understand the meaning of the items in the picture, especially the finger in the jar.

Our next meeting is at 1pm on Monday December 11 at Julie Flynn's home.

### Luminosity by Diane Comstock - Convenor

hree ladies met at Diane's house to for the Piece Maker's meeting. We watched a Fons & Porter show called Luminosity demonstating how to audition fabrics for Kaleidoscope blocks and then how to cut and sew the blocks. Different looking Kaleidoscope blocks can be created

from the same fabric by fussy cuting different areas of the pattern. It is suggested that a large print with at least 6 repeats of fabric be used for this exercise.

Quilting terms of the month:

*Fussy Cut* – To cut a particular piece from printed fabric as opposed to cutting a strip so you can get the specific image you need from the fabric.

*Kaleidoscope* – A quilt block pattern in which the fabric is pieced in a way that resembles different images seen through a kaleidoscope. Selecting the right fabric is important for these types of quilts.

## Information Meeting Very Helpful!

by Cliff Read - Convenor

n Nov. 22nd, our newest members met for a short presentation at Grace Anglican Church on Main Street. Liz and Cliff Read welcomed them and provided an overview of the many activities that Escarpment Probus has on the go. More importantly, ideas and suggestions about how to make the most of a Probus experience were provided. There were refreshments, lively conversations, and the opportunity to make new friends. Hopefully these connections will carry over to regular meetings and activities.

One of the participants, Leslie Houlihan, had this to say about the morning:

"As a newcomer to Probus I found the information meeting very helpful! I met other new members which gave me an opportunity to get to know them! Learning more about Probus was helpful and now I hope to share this with a friend who also recently retired!"

Thanks go out to Lorrette Shermet for arranging the venue for this meeting. As well, Julie Flynn, our Social Chair, provided details about many of the interesting social clubs. Harold Grace, our Vice President, was also on hand to welcome people and share some of his experiences in Probus. He mentioned that attending a previous Newcomers' session helped him in deciding to volunteer and become part of the Escarpment Probus Management team.

Murder and Holiday Foes!

by Marilyn Armstrong - Convenor

Murder On The Orient Express \*\*\*\* out of 5.

hat starts out as a lavish train ride through Europe quickly unfolds into one of the most stylish, suspenseful and thrilling mysteries ever told. From the novel by best-selling

author Agatha Christie, a Murder on the Orient Express tells the tale of thirteen strangers stranded on a train, where everyone is a suspect. One man must race against time to solve the puzzle before the murderer strikes again.

Kenneth Branagh directs and leads an all-star cast including Penelope Cruz, Willem Dafoe, Judi Dench, Johnny Depp, Michelle Pfeiffer, Daisy Ridley and Josh Gad.

A Bad Mom's Christmas \*\*\*\* out of 5 - A great comedy to see!

This holiday movie follows our three under-appreciated and over-burdened moms (Amy, Kiki, and Carla) as they rebel against the challenges and expectations of Christmas in hopes of creating a more perfect holiday for their families. And if that was hard enough, they have to do all of that while hosting and entertaining their ultimate holiday foes: their own mothers. By the end of the journey, our moms have redefined how to make the holidays special for their families and it ends up bringing them closer to their own moms.

### Whiskey Tasting is Subjective! By Chris Strachan - Convenor

The October meeting of the D'Stillers was held at the home of Martin and Norma Capper. Martin presented us with six whiskies for our tasting pleasure following are the results:

The number one whisky of the evening was

'Middleton Very Rare' Blended Whiskey with a score of 77%. The last time we tasted this whisky was in July of 2015 when it was beaten by another Irish whiskey 'BushMills 1608'.

Tied for second place was 'Two Gingers' and 'Jameson 'Distillers Safe' with a score of 76%. The owner of the 'Two Gingers' named his whiskey after his mother and aunt the two fiery-redheads whose likenesses are on their bottles. The last time we tasted 'Jameson Distillers Safe' April 2017 it came in first

place. It shows how whiskey tasting is very subjective on any given night.

The Third whiskey of the evening was 'Jameson Blenders Dog' a blended whiskey with a score of 74%. Again a whiskey we previously tasted in Feb of 2017 when it came in first place. The whiskies are selected by the host the other D'Stillers do not know what to expect thus October's tasting was a coincidence that we had tasted them before.

In fourth place was 'Jamesons Coopers Croze' also a blend with a score of 73%. The three Jameson whiskies, Distillers Safe, Blenders Dog and Coopers Croze have a theme: they all have old fashioned black and white labels, with their names derived from tools used in the distilling process.

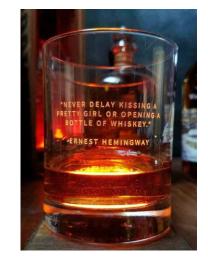

Last but not least was Middleton 'Method in Madness' a single grain whiskey with a score of 63%. Middleton

converted one of their whiskey warehouses into a micro distillery where they experiment with new types of whiskey.

We'd like to thank our hostess Norma for the treats and for entertaining the DD's. Thanks also to the DD's for getting the D'Stillers home safe and sound.

## The Couple Next Door

by Catherine Parr - Convenor

COUPLE

he Couple Next Door by Shari Lapena proved to be a light read which was a welcome change from some of our recent in-depth and darker selections. In the genre of psychological thrillers, this book had many twists and turns and kept most of our readers turning the pages to the very end. On the down side, the character development was lacking with the characters being as well generally unlikeable. The tale was considered by most as improbable. Although not likely to be a "recommended read" by our group, there was an appreciation by many for the easy, quick read and engaging story development.

## Wine and Dine

by Gillian Reynolds - Correspondent

ixteen people enjoyed being wined and dined at the lovely downtownMilton home of Barb Crowe and John Yardley on Friday, November19th. We were having such a good time that we totally forgot to take photos.

### Nosh @ Nite by Liz Read - Correspondent

osh at Night members kicked off the Christmas season at Liz and Cliff Read's on Friday, the 24th of November. The house was decorated with Santas and rang with good cheer of a gathering of friends.

A request was made by the Noshers for this highly addictive recipe called **Christmas Cranberry Crunch**:

1 - In a medium bowl, combine 3 cups of Golden Graham's cereal, 11/2 cups of dried cranberries and 1/2 cup of slivered almonds.

2 - In a microwave, melt 2 cups of white chocolate wafers (Bulk Barn) and 1 tbsp of oil in a microwaveable bowl at medium power.

3- Stir the melted chocolate into the cereal mixture.

4 - Spread onto a cookie sheet and refrigerate until it hardens.

5 - Break into pieces and serve.

Don't know if this recipe can be frozen as it disappears as quickly as it's made!

### Best Sellers Chosen Quickly By Ellen Crawford - Convenor

here was an excellent exchange of books this month. There is always an interest in best sellers and those books are chosen quickly. Usually avid readers willingly offer their recommendation to others of a book they have enjoyed.

*Note: There will be no book exchange in December.* Remember to bring a book in January.

### A Lot of "Bull" by Stephen Comstock - Convenor

ime to grab the "bull" by the horns and hope other players don't call your bluff! Balderdash game features interesting, unbelievably true content and categories about people, words, initials, and movies. Players make up phony definitions to read along

with the legit ones as others decide which is real. How well can you fake it? Score points if you do and call other players' bluffs. You will laugh out loud as you hear the hilarious, clever, and creative definitions!

Lorhel, Ann, Diane, Jenny, and Stephen laughed their way through two games while Lorrette and Petra concentrated on their Scrabble game.

Oftentimes, even as a little kid, I would get up before anyone else. My brother would still be sleeping, my mom would still be sleeping, so I would literally play 'Monopoly' by myself. I would play board games; I would do things by myself. "

### Striding Man is still Walking By Chris Strachan - Convenor

fter missing the D'Stillers meeting in October, I was raring to get back into the swing of things and was happy to attend the November meeting held at Joanne and Ron Millichamp's home. Ron had five interesting spirits for our enjoyment.

The best Whisky of the evening was 'Johnnie Walkers Centenary 18 Yr Old Blend' with a score of 84%. This whisky was discontinued and replaced with their Platinum Brand. Today, four bottles of Johnnie Walker, the world's No. 1-selling Scotch whisky, are consumed every second, with some 120 million bottles sold annually in 200 countries. From a small town in the Scottish Lowlands, the Striding Man has come a long way — and he's still walking.

The number two Whiskey was 'The Famous Grouse' blended scotch whisky with a score of 79%. The Famous Grouse is produced in the oldest working

Distillery in Scotland and is also the best selling blended whisky in Scotland.

Third of the night was 'Paddy Irish Whiskey' which is also a blended whiskey, it scored 77%. This is Ireland's third best selling whiskey. When the Duke of Windsor died his widow Wallis Simpson auctioned off his collection of rare and expensive fine spirits. A bottle of Paddy 1920 Irish Whiskey from the Duke's collection was bought by Irish Distillers for \$3000 in 2003.

Fourth was 'Macallan Gold Label' a single malt whisky with a score of 73%. In the James Bond movie Skyfall James's favorite tipple is a 50 Yr Old Macallan single malt.

Last but not least was 'Bushmills 1608 Reserve' which is a blended Irish whiskey, it scored a respectable 72%. This particular blend is sold in Duty Free stores only. Bushmills claims to be the oldest Distillery in the world.

Our thanks to Joanne for the nice treats, great conversation and entertaining our DD's. Thanks also to our DD's for a safe journey home.

The December 6th meeting will be held at the Georgetown home of Mary and Russ Cousins.

# Morph a word into something different *by Alan Jordan - Word-a-Holic*

hen you rearrrange the letters of a word, phrase, or sentence, they become quite different, "ANGEL" is an anagram of "GLEAN". Some become funny - others, not so much. Take a look at these. If you have any favourites, pass them to me at the next meeting.

SLOT MACHINES - when you rearrange the letters - CASH LOST IN ME

DORMITORY - could be - DIRTY ROOM

SNOOZE ALARMS - becomes - ALAS NO MORE Z'S

ANIMOSITY - turns into - IS NO AMITY

PRESBYTERIAN - when you rearrange the letters - BEST IN PRAYER

### White rules over Red! by Martin Capper - Past President

A disturbing trend is starting to emerge. After 4 years of red wines being Grapenuts favourites the whites appear to be taking that role! Last night was the second time I have seen a white secure star billing! This time it was a Mosel Riesling By Dr L Loosen Brothers a wine that averages 15.8 on the Grapenuts scale but was rated 90/100 by Natalie McLean and tipped by her as one of the best value writers in the LCBO at \$13.95. I just hope I get to the liquor

store before this is published!

A puzzle to finish -When is a Pinot Nero not a red wine?

Answer - when *vou buv it at an InterSpar for* approx 3Euro in Como! Nuff said!

Second at a lowly 14.1 was a red by Bear Flag of California colourfully labelled as a smooth red wine blend.

Following an over indulgence at the Crawfords Nosh night, the Hallowe'en Party, and Ron Millichamp's whisky tasting my brain was too addled to came up with a theme. Instead I set a test. I cut and pasted the tasting notes and challenged our tasters to match the taste notes with the wines. Surely after 4 years of tasting one of us would know what we were doing? Not so - top scores of 4/6 went to Chris and Norma. There were some anonymous zeros and I confess to a miserly 1/6.

Wines tasted were: Riesling by DrL Loosen Brothers from Mosel Germany 15.8 Pinot Grigio by Mallee Rock out of SE Oz 11.4 Pinot Grigio by Gabbiano Promessa out of Bella Italia 11.8 Smooth red wine blend by Bear Flag out of California 14.1 Malbec Reserve by Salentien from Mendoza Argentina 13.3 Merlot Reserva by Casillero del Diablo out of Chile 13.4

## Common Thread & Wines from Europe

by Michael Hooker - Convenor

nna & Chris Strachan hosted the First Tuesday session with bended wines that contained a common grape - Cabernet for reds, and Riesling for whites. Best White: 13th Street Burger Blend. Ontario. LCBO 469304. \$14.95. Score 12.3

Best Red: Pelee Island ECO Red VQA. Ontario. LCBO 612465. \$11.95, Score 13.8

As Rosalind and Alan had just returned from our Europe tour, they picked as their theme - Wines from countries they visited: Austria / Germany / Italy.

> Best White: Relax Riesling, Mosel (Germany). LCBO 621888. \$12.95. Score: 14.2 Best Red: Villa Wolf Pinot Noir Pfalz. Germany. LCBO 291971. \$14.95. Score 12.2

Alan pointed out that one thing we've learned over the years is "An expensive wine does not guarantee an exemplary taste" Their most expensive wine, Nipozzano Vecchie Viti Riserva Chianti Rufina, costing \$29.95, had the second lowest score of the evening!

The Christmas "Wineathon" will be at Auriel Halliday's and Don Evans's house on Thursday December 7th, around 7:00 pm. This is our equivalent of the "Nosh" – bring a wine and an appetizer, meet, and natter. Don and Auriel will provide the desserts, and based on past experience you won't go home hungry.
