New Management, Excellent Speaker, and Fun Day

ELCOME TO OUR FUTURE PRESIDENT, Paul Crawford, who comes with excellent career experience as a school principal and has worked with large teams on a school board. A founder member of Escarpment Probus, who was on the management team for 2 years as Program Chair, and will hit the ground running.

NO LONGER THE COLD WHITE NORTH - David Philips, guest speaker at the July meeting, was outstanding. He assures us the weather over the next century will become hotter and wilder. This changing pattern cannot be stopped and he recommends our infrastructure be better prepared for future generations. His narration was humorous and based on fact and knowledge of his subject. Thank you Wayne Herder, our Program Chair, for bringing in the great speakers.

ESCARPMENT PROBUS SUMMER PICNIC was well supported. We enjoyed a gorgeous big, blue sunny day, good lunch, fun games, and great prizes. The day was very well organized by Julie Flynn, our Social Chair, and her committee.

NOMINATIONS COMMITTEE is headed up by Martin Capper, past president. Members being nominated for roles on the management team for next year will be announced at the August 15th General Meeting and finalized at the AGM in September. There is still time to volunteer for a position on the management team.

SOCIAL CLUBS CONVENOR'S INFORMATION

Our August Speaker

y name is Jayne Leang and I am the Director of Business Relations with the Bob Rumball Canadian Centre of Excellence for the Deaf (BRCCED). I have been with the organization for 14 years in various operational roles ranging from

administrative to human resources to a more outward focus in my current role. I develop relationships that help us achieve synergies; especially as it relates to awareness, accessibility and enhancement or expansion of our services. Most recently, I have worked with the Ministry of Labour, the ROM, and the Canadian Mental Health Association of Ontario in developing videos in American Sign Language to help educate the Deaf community. I also led a 4 year provincial HR Best Practices Committee with a mandate to professionalize the Intervenor Services Sector and develop standardized HR tools. This committee reported to a provincial Steering Committee I participated on along with the Ministry of Community & Social Services with the purpose of implementing a 4 year Intervenor Services HR Strategy with a goal to improve services for Deafblind consumers.

Discussion Topic: Stories to help instill a better understanding of the services we offer and the population we support; including our social enterprise – The Range. Our individuals supported are all Deaf but that is not why they need support. They are with us because they are seniors who cannot live on their own, or adults new to Canada with no English or American Sign Language knowledge, or people with developmental disabilities or mental health issues where their families cannot continue to give them the 24/7 support required. The common denominator is they are all Deaf; some are also Deafblind. We create an environment where one did not exist before. Deaf Culture thrives and those receiving supports from us can feel a part of that larger community creating inclusiveness that results in acceptance and ultimately independence. Individuals have come to us from all over the country and our team of professionals help them strive towards the highest quality of life they can achieve in a communication-rich environment.

"

Storms and darkness scared me, but somehow it encouraged me to learn about nature and I think nothing's dark, dark is beautiful too.

Our September Speaker

Storm Chasing in Ontario

xperience the entire life cycle of thunderstorms with this exciting and educational presentation. See how they form and develop into powerful lightning and wind storms. Watch an Ontario supercell tornado from start to finish as it cuts a path through the countryside near Arthur, Canada as well as two other tornadoes to hit our province. A very powerful presentation explaining the effects storms have in Ontario.

David T. Chapman started doing photography at the age of 16. He is self-taught in the art of photography and has been pursuing his career professionally since the age of eighteen. He learned at a very young age from his father to appreciate his environment in the surrounding countryside. He enjoys taking photographs of weather phenomena, especially lightning, as well as scenery and nature. David likes to seek

out unusual examples of nature such as unusual clouds, ice crystal formations and albino birds. To date he has found many multi-petalled Ontario trilliums, the highest of which had 33 petals. David is also a professional speaker and enjoys entertaining and educating a good crowd. His main areas of expertise are Weather/Aurora Borealis, Local Interests and Scenery of Ontario, Birds and Wildlife.

Probus Picnic

by Julie Flynn - Social Chair

bout 80 people gathered at Lowville Park on July 12th for our annual Probus picnic. The weather gods cooperated, so we had a beautiful sunny day. We enjoyed a barbecue lunch provided again by Troy's Diner, and challenged each other in a number of games.

The winners of our games were:

- Bocce 1. Diane Comstock, Julie Flynn, Michelle Tschirhart, Bonnie Lennox
 - 2. Beth Barnes, Pat Vogt, Bob Stringer, Wendy Stringer
- Ladder golf Gloria Pennycook and Bob Findlay
- Mush ball Bob Fndlay and Margaret Murphy
- LEGO count Anne Marie Stockley
- Quiz Kelly/Fred Ground, Michelle Tschirhart/Julie Flynn

A big thank you to those who organized and ran the games and to the Social Committee, you were all wonderful. I couldn't have done it without you.

Together at Whistling Gardens Then Scattered for Lunch & Afternoon

by Christy Babcock - Correspondent

n Thursday, July 19th, 21 Probus men and women spent the morning at Whistling Gardens. Darren Wheimbecker, the owner of the 56 acre farm with 20 acres

turned into a Botanical Garden, was our tour guide for not a one hour tour as expected but closer to 2 hours. This unassuming knowledgeable talented man showed us the various methods he has used to create new trees and to train others to do his bidding - Spruce trees into hedges, Lindon

Trees to enclose a seating area, and in the future his main walkway will have trees bridging the trail.

Darren also has a collection of birds that have all been "show" birds and would have been destroyed now that their "show careers" are over. We had a nice break sitting in the shade while we listened to music, composted by Darren, and watched the fountains dance to the music.

Garden Paradise/Food/History & Culture

by Christy Babcock - Correspondent

hirty-four souls armed with umbrellas and raincoats arrived at Plant Paradise for our tour; fortunately the weather gods were kind to us. Lorraine Roberts wowed us with her knowledge and memory as she guided gardeners and enthusiasts through the various gardens describing growing characteristics and her "organic" methods - no mulch just compost and corn gluten to eliminate the germination of weed seeds. Quite a bit of shopping occurred as Lorraine's plants are some of the strongest specimens available.

We then drove to Alton Ontario where we spent some time exploring the Alton Mill's historical rooms as well as the artisans galleries and shops while we waited for our 1 pm lunch reservation. Many of us were early due to the lack of bug spray that certainly was needed to comfortably hike the trails at Paradise Gardens. Ray's 3rd Generation Bistro provided us with various scrumptious lunches prior to returning to Alton Mill to finish where we

ACTIVITIES VS SOCIAL CLUBS

Do you know the difference between an activity and a social club?

An activity is a one-off event paid for by the individuals who sign up. Examples of activities are: Niagara Wine Tasting, Bocce, Whistling Gardens, and Fall Colours Train Ride.

Social clubs are continuing events, i.e., they meet on a regular basis and the list of participants is maintained by a convenor. The convenor also arranges a meeting place (often the home of a member), and emails the group about upcoming gatherings. Most clubs meet once or twice a month. Examples of clubs are: Euchre, Grapenuts (wine tasting), Oscar Nights (movie club), Friendship club, Pinseekers (golf), Supper club, and many, many more.

Please note: We are in need of convenors for new social clubs suggested in the survey, as well as replacements for Oscar Nights (movie club) and 10 Pin Bowling. The 2 latter clubs may have to be suspended if no one steps forward.

Jokers on Friday 13th

by Ellen Wallhouse - Correspondent

welve of our Joker group meet at Ellen and Chris Wallhouse's home for a lively session of Jokers. As usual, the three games created lots of laughter and some rivalry. Everyone want's to win all their games, but only two players did......Auriel and Michael Hooker. To be polite we will not mention the three

players that did not win at all.

As usual, Ellen provided a delicious selection of goodies, including her fabulous frozen mini cocktails.

Skip the Dishes

By Lorrette Shermet - Convenor

MENVE

kip the Dishes is a new club where Probus members will dine out once a month at restaurants classified as fine dining. Most entrees will be valued at \$15 and more. It will be the same format as lunch bunch where members are responsible for selecting their own meals and paying their own bills. Presently we are looking at the third Thursday of the month starting in September. The convenor for this new club "Skip the Dishes" will be Lorrette Shermet and she may be reached at lorrette@sympatico.ca. This was introduced at the July meeting and 48 members signed up. Most restaurants that Lorrette will be selecting can accommodate around 40 to 50 diners. This will have to be on a first come first served basis.

For September 20th, the restaurant selected is "La Toscana" which is an Italian restaurant in Milton.

FIGS

by Diane Comstock - Convenor

n Monday, July 9th, the Piece Makers gathered at Carol Anne's home.
Diane brought a Flower Wreath she made for her door and Carol Anne showed us her latest quilt. Wendy brought more of her Black and White squares that she is working on. Diane also brought FIGS given to her by Bonnie

Lennox. We had a great time, sorting through the bags, refolding the material, and choosing items to add to our individual stashes. Wendy took the leftovers to add to the group's bins.

Quilting Term of the month: FIGS - Fabric in Grocery Sacks

Our next meeting will be Monday, Aug. 6 at Wendy Stringer's home. She will have the group's bins available so if you have a project in mind (or even if you don't), you may find material to add to your stash.

If you are not a member of the Piece Makers, you are welcome to join us if you are in search of material. Just let Diane (905-876-4909) know you are interested. No obligation to join the group.

Host Takes the Prize!

By Lorrette Shermet - Convenor

e had a lot of competition this time round. Bob Stringer and Harold O'Brien shared the highest score of 46, followed by Lorrette with 42. Three people had two loan hands each Lorrette, Ray, and Bob. Rejeanne was the most honest player with a score of 23.

By Chris Strachan - Convenor

he July meeting of the D'Stillers was held at the home of Suzanne and Wayne Herder with seven members in attendance. Wayne supplied three Scotch whiskies, one Irish, and one Canadian whisky for our tasting pleasure. We rated them as follows:

The winning whiskey with a score of 81% was **Powers Gold Label**, an Irish blended whiskey. With an ABV 'Alcohol by Volume' of 43.2% at a cost of \$40. The flagship Powers Gold Label brand was the first Irish whiskey ever to be bottled. The most popular brand of whiskey in Ireland is a mixture of pot-still and grain. Powers was first distilled at the St. John's Distillery at Thomas St, Dublin in 1791. Powers Gold Premium sells over 2.5 million bottles in Ireland each year.

The second place finishers with a tie score of 79% was Glenfarclas 10 yr old Single Malt and Glen Moray Elgin Classic Single Malt, both of these are Scottish whiskies.

'Glenfarclas 10yr old Single Malt' with an ABV of 40% and costs \$60. The distillery selected four special Glenfarclas whiskies: 8 yr old, 10 yr old, and 12 yr old to commemorate the 150th anniversary of the Lorne Scot Canadian Regiment and to honour the founding regiments (Peel,

Dufferin, and Halton) and finally, a single cask bottling of 2007 Glenfarclas, in honour of the Lorne Scots. 'Glen Moray Elgin Classic Single Malt' with an ABV of 40% and priced at \$40. In recent whiskey reviews this whiskey went from being belittled to being loved. Again, as I have said in the past it is subjective to one's own palate.

Number four was **Speyburn Brandan Orach Single Malt** with a score of 74%. This is a Scottish Whisky with a ABV of 40% and costs %40. The D'Stillers thought this was a run of the mill whiskey, nothing special. Again a whiskey one either loves or hates according to one's palate.

Last but not least with a score of 73.5% was **Wayne Gretzky No. 99 Ice Cask Canadian Whisky** with an ABV of 40% and a cost of \$60. Prior to bottling, this whiskey is finished for 4 months in casks that at one time held Ice Wine. We as a group did not smell or taste a hint of ice wine in this whiskey. To us it was just a Rye whiskey and at \$60 per bottle it didn't live up to our expectations.

Once again our thanks to Suzanne and Wayne for their hospitality, not to mention the great treats. Thanks also to our DD's for the safe drive home.

The Aug 1st Meeting will be held at the home of Mary and Russ Cousins.

Italian Wines from the Veneto, Piedmont, Toscana regions

by Martin Capper - Correspondent

ith a theme of Italian wines, participants were challenged to complete a 3 part "quiz". First they had to solve "hangman style" 3 words which had a connection to the wines. The words were Veneto, Piedmont, and Toscana, the regions of Italy where the wines originated. The next test was to identify the regions on a blank map of Italy and finally to identify the wines to the region.

There were 12 points available and with a high score of 6 the winner of a romantic Italian dinner for two was Cliff. There was some debate as to who would partner Cliff to his romantic Italian dinner which ended when Cliff opened his prize to discover a can of Spaghetti Bolognese from Chef Boyardee and a candle!

We also took the opportunity to sing Happy Birthday to Cliff including learning a new birthday song from

- Best White: Batasiolo Bosc d'la Rei Moscato D'Asti, from Piedmont, LCBO 277194, \$16.95. Score15.1. This is a sweetish wine, fairly high in acid- which compensates for the high sugar level, with only about 5.5% alcohol, slightly fizzy. A very refreshing summer wine, for the end of a meal.
- Best Red: Ascheri Barbera d'Alba, also from Piedmont. LCBO 219790, \$14.95. Score: 15.4.

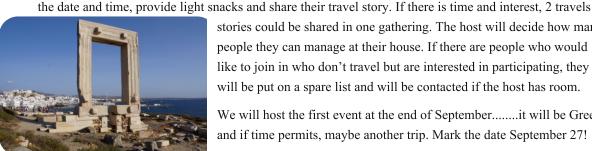

At least, based on the 6 wines tasted, Piedmont was the best Region.

Wanderlust

- A new club for travel lovers

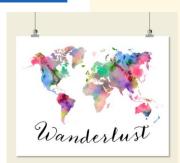

by Gloria Pennycook - Convenor

don't know how many times I have talked to a fellow PROBUS member about their travels. My usual response is "I would love to see your pictures". That is what Wanderlusters is all about.....sharing travel pictures and stories with other people who are interested. There are no limits on the type of travel.....cruises, countries, adventure, etc!! Ideally everyone who signs up is willing to host and share their travel story. The host will set

stories could be shared in one gathering. The host will decide how many people they can manage at their house. If there are people who would like to join in who don't travel but are interested in participating, they will be put on a spare list and will be contacted if the host has room.

We will host the first event at the end of September......it will be Greece and if time permits, maybe another trip. Mark the date September 27!

he Flowers and the Reynolds gave a convincing demonstration of ESP by each picking (independently) the same "theme" for their tasting. The calculated odds on this are about 57.5 quadrillion to one (plus or minus a few billion). Gill and Bryan Reynolds included a (wait for it) Non Alcoholic white wine in their tasting. Relax, it didn't win; in fact it was flagged by some as a touch strange! Wine was Carl Jung White Premium Blend.

Gill and Bryan Reynolds - Theme: Commonwealth Wines

- Best White: Oyster Bay Sauvignon Blanc, from New Zealand. LCBO 316570. \$19.95. Score: 12.1.
- Best Red: a tie: Bodacious Dark Red Blend, Canada. LCBO 522946. \$10.75. Inception Deep Layered Red, from South Africa. LCBO 369967. \$14.30. Both scored 14.8.

Marion and Keith Flowers - Theme: Whites, Roses and Reds from the Commonwealth

Marion and Keith started us off with a tour of their garden – both front and back – at their house in Oakville. What a great sight; Keith and Marion, you are certainly well named! Then we tasted our wines and other goodies outside under the stars, surrounded by their beautiful back garden.

- Best White: Rolling Pinot Grigio, Australia. LCBO 483248. \$14.95. Score: 13.3.
- Best Red: Sister's Run Old Testament Cabernet Sauvignon; also Australian. LCBO 478271. \$16.95. Score: 13.3.

It was a perfect night to be sitting outside enjoying the garden, and a great group of guests to enjoy the wine with.

our summer activities are rolling along.
Unfortunately the "9 & Dine" we had scheduled for August 1st did not have enough signed up, so we have substituted **Mini-golf** for the Wednesday, August 1st date. We will meet at Vic Hadfield Golf Centre, 340 Burnhamthorpe & Trafalgar Road at 4:00. It is \$8.50 for 18 hole mini-golf and

then, at your option, to Fionn MacCool's at 350 Dundas E. and Trafalgar, the next intersection for dinner or snack. (Directions: From the golf course, go south on Trafalgar to Dundas and turn left (east). Entrance to the plaza is off Dundas, immediately on your right, not Trafalgar.)

August 14th: Tuesday, 4:00 pm **Bocci** at Italian Soccer Club is \$15 includes light dinner. Some space available and a wait list is open.

On Thursday, September 6th we are going on the **Niagara Wine Tour** of 3 Wineries. We are at capacity right now and a wait list is open. \$47 includes entrance to each winery, short tours and sampling, and your limousine bus. We leave the Sports Centre parking lot at 9:30 am, and return about 3:30. Lunch at Caroline Cellars is not included.

Coming on Monday, September 24th is a visit to the **S.S. Keewatin**. This ship was built at the same time as the Titanic and many of the same designs were used. Tour starts at 11:00. For \$17 you will have a 90 minute tour of the ship, stepping back in time. There are ladders and stairs to consider this when signing up. It is located in Port McNicol on Georgian Bay. This is a wonderful area to visit in September. Enjoy the day with friends in your carpool.

On Wednesday, October 3rd a tour of **Pearson International Airport** is scheduled. There is no charge but we are limited to 30 attending. A 2-hour airport bus tour on the tarmac and behind the closed doors of an airport is at 10:15 am to 12:15. Lunch at members' expense. A recent Photo ID is required.

A **Central Waterloo Fall Colours** train tour is on Thursday, October 11, that starts at 9:45 am. Enjoy a ride from St. Jacobs to Elmira and return. It is \$25 per passenger. The St. Jacob's Market is open that day too. If we get enough registered we can get the entire caboose to ourselves. We depart from 330 Farmer's Market Road, Waterloo. Lunch at "Jack's Family Restaurant" is not included in the cost.

Have a great August 1st long weekend enjoying Simcoe Day.
