Our September Speaker

Storm Chasing in Ontario

xperience the entire life cycle of thunderstorms with this exciting and educational presentation. See how they form and develop into powerful lightning and wind storms. Watch an Ontario supercell tornado from start to finish as it cuts a path through the countryside near Arthur, Canada as well as two other tornadoes to hit our province. A very powerful presentation explaining the effects storms have in Ontario.

David T. Chapman started doing photography at the age of 16. He is self-taught in the art of photography and has been pursuing his career professionally since the age of eighteen. He learned at a very young age from his father to appreciate his environment in the surrounding countryside. He enjoys taking photographs of weather phenomena, especially lightning, as well as scenery and nature. David likes to seek out unusual

examples of nature such as unusual clouds, ice crystal formations and albino birds. To date he has found many multi-petalled Ontario trilliums, the highest of which had 33 petals. David is also a professional speaker and enjoys entertaining and educating a good crowd. His main areas of expertise are Weather/Aurora Borealis, Local Interests and Scenery of Ontario, Birds and Wildlife.

Our October Speaker

Pharmacist - Zak Patel

ak Patel has owned and operated Zak's Pharmacy, the oldest independent pharmacy in Milton, since 1988. He graduated from the University of Toronto in 1985 with honours. He has repeatedly been chosen by the Canadian Champion readers as their favorite pharmacy and pharmacist. Zak prides himself and his staff for their customer service. Knowing the drugs, their interaction with other medication, and the proper subsitude, if available, is the result of many years of continuing study and updates.

Please be assured he is a much better pharmacist than a golfer (LOL).

Education leads to better health so bring any questions and concerns you may have.

Thanks

by Wayne Herder - Program Chair

hank you all for your patience and understanding during the August presentation. We were faced with technical problems that could be not be foreseen. Again thank you to Martin Capper and Joanne Millichamp for their much needed help.

I appreciated your support and speaker referrals.

HOT, HOT, HOT ...

by Jenny O'Brien - Correspondent

Ole ole, ole ole Ole ole, ole ole

> e be Hot, Hot, Hot ... on the Bocce Courts, at the Italian Canadian Club of

Milton. It was a steamy Tuesday afternoon, but 28 avid bocce

players showed up to try their hand at hard surface bowling. Many of our bocce aficionados had perfected their bocce skills at the Probus Picnic in July, making for some pretty close games on the courts. The final results showed that 3 out of 8 teams went 2 wins for 2 games, giving them bragging rights for the evening. 2 out of 8 teams went 1 win for 2 games enabling them to hold their heads high. But alas, 3 out of 8 teams went 0 wins for 2 games, and we left them licking their wounds. Keeping cool was the biggest challenge of the afternoon, but the water was flowing and the

umbrellas were popping. After all the court side competitions were over, the teams retreated to inside the

club where we enjoyed more 'cold drink's' and a pizza dinner.

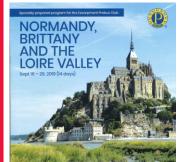

It was a great afternoon of food, folks and fun!

Milton Historic Walk

By Anne-Françoise Gibbard - Convenor

onjour à tous nos members, What a day we had for our monthly meeting, a Milton historic walk.

Just before 11 AM, a Torrential rain went thought Milton and of course some people did cancel, no way we can walk through such a storm but a miracle happened, 5 minutes before we were set to start the rain stopped and four brave probus members were at Victoria Park and ready to hike through the area. With our discover books and my papers translated in French from the Milton Historic Society we started on King Street to admire all the old houses where pioneers lived and developed Milton. As we walked we saw our mayor and stopped for a chat and in his sleeve he had some good stories to share with us (no French...) After this interlude, we finished King Street and it was time for lunch and the end of a "very demanding" walk along King Street...

We are ambitious and tried to organize another more vigorous historic walk in the future!!!

Bonne rentrée à tous nos membres et j'espère que vous avez passé un bel été avec tout le soleil et la chaleur que nous avons eu durant ces deux derniers mois.

Tri-Ominoes and Qwirkle

by Stephen Comstock - Convenor

ive of the BeeGees gathered on August 14th to play games. Welcome to Wendy Springer who joined us for the afternoon. First game was Tri-Ominoes, and after several rounds,

Steve came out on top, breaking the tradition that was forming of the

newest player winning the game. With time remaining, we switched to Qwirkle, and once again Steve was declared the winner.

The next get-together will be September 12th at 1pm at Grace Anglican Church. Please come join us, all are welcome. If you have a favourite game, bring it along and we'll give it a go.

JOKER

Kudos to Anna

by Jenny O'Brien - Corresspondent

he Joker's were out in force this month, with a full house of 16 playing at the O'Brien's. There were moments of serious consternation (as some of the pictures denote), but mainly there was fun and laughter and a fair bit of nibbling. The big winner of the day was Anna Strachan, with 4 wins in 4 games (Kudos to Anna) and the big loser was Ron Millichamp (Ron claims to have liked the comfort of the seat he was in -- good thing since he was in it all afternoon:).

The Wednesday group is looking forward to the big Jokerfest in September, where the Wednesday and Thursday groups will unite in search of the biggest Joker!!! See you there!

PIE In Operation

by Ron DuPont - Convenor

Record Attendance!

By Martin Capper - Convenor

new record attendance of 27 people squeezed into the Cappers for the August crib meet! While the temperatures may have been in the high 20"s . the scores certainly were not. The skunks were around from the first game with one nameless and hapless player getting 3 in two games!

We played in threes with each player playing his own hand - losers moved table and the winner stayed put! From my vantage (perhaps disadvantage might be a better word) of moving 4 games out of 5 it looked to me that only Keith retained his seat for the whole evening - by winning I mean (2) Participants will understand the emoji!

Our thanks to everyone who helped including nibbles, coffee making, dish washer loading, and most importantly having fun with the games.

No Rain!

by Gillian Reynolds - Convenor

ortunately the weatherman was wrong about the rain (again) on August 3rd and the sun shone on the Nosh N Natter gathering in the lovely garden of Doreen and Len Bennink. The variety of food and conversation (with the help of booze) made for a very pleasant evening. Definitely worth the drive to Guelph!

Bridge was a Blast!

By Jeanne Reid - Convenor

ur August bridge at Birkdale was a blast. It may have been the wine but a good time was had by all. We managed to crown a winner, Hazel Switzer, with Vicky Lenarduzzi coming second.

Our September bridge will be at the Shannon's home. October bridge will be at the Allendale's Card Party fundraiser.

Putting Perfection!

by Jenny O'Brien - Correspondent

t was a rousing round of mini putt on Wednesday, August 1st, when 18 Probus members hit the links and demonstrated their prowess with a putter. We had 7 golfers who shot a hole in one and one golfer who putted a perfect ten (no names will be mentioned but you know who you are :)) Best female putter was Michelle Tschirhart and best male putter was Reg Zanatta, each winning a bottle of liquid grapes. There was laughter and what appeared to be a few tears as we worked the tees, but it was all in good fun and ended on the 19th hole at the local Fionn (pronounced Finn as I was informed by my knowledgeable Irish teammates) MacCool, where dinner and a pint were enjoyed by all. Until next year FORE !!!!

Scotch and Bourbon

By Chris Strachan - Convenor

he D'Stillers August 1st meeting was held at the home of Mary and Russ Cousins with seven members in attendance. Russ supplied four Scotch whiskies and one Bourbon for our tasting pleasure. We rated them as follows:

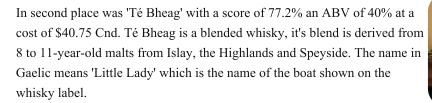

In third place was "Ainsley Brea' a single malt scotch with a score of 75.2%, an ABV of 40% at a cost of \$78 Cnd. This scotch is bottled in the US by an independent bottler, Alexander Murray, who also supplies Costco. Costco sells 100,000 cases of this whisky per year.

The winning whisky of the evening was 'SMOKIN' a single malt scotch with a score of 81%, an ABV 'Alcohol by Volume' of 40% at a cost of \$30 US. This is a peaty whisky, definitely not everyone's cup of

Fourth place was 'Highland Queen Majesty' a single malt scotch with a score of 71.7%, an ABV of 46% at a cost of \$40 US. This whisky was named in honour of Mary Queen of Scots.

Last but not least was 'Two Stars Bourbon' with a score of 70.6%, an ABV of 43%. This Bourbon can cost anywhere from \$18 to \$40 US depending on the State it is purchased in.

All of the whiskies that Russ supplied can only be purchased in the US with the exception of 'Te Bheag' which can be bought at the LCBO.

Once again our thanks to Mary and Russ for their hospitality, not to mention the lovely treats (It was worth the drive to Georgetown). Thanks once

again to our DD's for the safe drive home.

The September 5th meeting will be held at the home of Norma and Martin Capper.

BBQ & Corn Roast

by Gloria Pennycook - Correspondent

e decided to change it up for the Nosh in Campbellville in July. It's summer and we celebrated with a BBQ and corn roast, accompanied by scrumptious salads and delicious desserts. Thirty of us, including some new PROBUS members, enjoyed great weather and most importantly, great friends. Even the dogs enjoyed

the fun! We were fortunate to see the full moon rise before everyone departed. If you want to meet new people, make new friends, JOIN NOSH!!

Summer: No don't leave us yet!!

By Anne Marie Stockley - Activities Chair

ersonally, I was just getting started. But, alas, life goes on. We have a start on your Fall activities though. And, looking towards Christmas: Yup.....

The Wait List is still open for the Niagara Wine Tour on Thursday,

September 6th to visit three wineries. \$47 includes entrance to each winery, tours and sampling, and your limousine bus. We leave the Sports Centre parking lot at 9:30 am, and return about 4:00. Lunch at Caroline Cellars is not included but they have a wide variety of choices on their menu.

On **Monday, September 24th plan to visit the S.S. Keewatin**. This ship was built about the same time as the Titanic and many of the same designs were used. There is no limit to the numbers this tour can accommodate. Tour starts at 11:00. For \$17 you will have a 90 minute tour of the refurbished ship, top to bottom. There are ladders and stairs to consider when signing up. It is located in Port McNicoll on Georgian Bay. This is a wonderful area to visit in September. Enjoy the day with friends in your carpool. Directions will be available on the Cheque-writing Table.

On **Wednesday, October 3, a tour of Pearson International Airport** is scheduled. This tour is now full, but we ask anyone needing to cancel to contact one of the Activity Committee so someone else can take your place. Tour starts at 10:15 am to 12:15. A recent Photo ID is required. Lunch will be at your expense at Union Social Eatery, 6986 Financial Drive, in Mississauga. Driving instructions willbe sent to all participants and posted at the Cheque-writing table.

Last call for the **Central Waterloo Fall Colours train tour on Thursday, October11th**. We board at 9:45 am near St. Jacobs Market. Enjoy a ride from St. Jacobs to Elmira and return. It is \$25 per passenger. The St. Jacob's Market is open that day too. 48 members are signed up but if we get another 12 we can get the entire caboose to ourselves. We depart from 330 Farmer's Market Road, Waterloo. Lunch at "Jack's Family Restaurant" is not included in the cost.

The Wait List is still open for **The Weather Network Tour on Tuesday, October 16th**. This will be a one hour tour of the facilities, their technology and the TV set starting at 11:00 am. The Weather Network is located at 2655 Bristol Circle, Oakville, L6H7W1, immediately east of #403 and Dundas West. There is no charge for the tour but photo identification may be required. Names must be submitted prior to our visit. Again we ask that anyone who is signed up but not able to attend to please let someone in the Activity Committee know so that the next person on the Wait List can attend. Lunch will follow at Brown's Socialhouse Erin Mills, just two blocks to the east at 2525 Hampshire Gate, Oakville.

For our annual visit to the track this year we are back at the newly named **Woodbine Mohawk Raceway on Friday, November 16th** in the Terrace Trackside Buffet. Cost will be \$38 for buffet, racing form, and a \$10 chit for the casino. Sign-up sheets at our next meeting.

Now, to start thinking about Christmas. Well, if you're tired of having to bake multiple recipes to have a variety of cookies for your Christmas Guests (or don't bake anymore), we have the solution. Australian, Varietal, and German

by Michael Hooker - Convenor

Pamela Lester and Megs Shellard

ug. 2nd was a lovely evening to enjoy wine tasting beside the pool at Panela Lester's home. Megs
Shellard co-hoted with Pamela and everyone enjoyed a variety of cheeses with the Australian wines. Megs made a wonderful selection of desserts for all to try after the wine.

Surprisingly, the Best White was the cheapest wine tasted: the Hardy's Stamp Series Riesling / Gewurztraminer blend. LCBO 448548, \$9.95. Score 15.0.

And the Best Red: Peter Lehman The Barossa Shiraz, LCBO 522235, \$21.95, Score 15.0.

Thanks to Megs for all her help!

Judith Mitchell and Michael Hooker

heme was "Varietal Reds". (A varietal wine is made from one type of grape only, as distinct from a wine made from a blend of two or more grape types).

And to change things around a bit, the bottles weren't covered, and everybody was given advance info on each wine and the grape it was made from. We served the wines from lightest to heaviest – Beaujolais (Gamay grape); Pinot Noir; Merlot; Zinfandel; Shiraz; Cabernet Sauvignon.

Although it could be seen as a "Learning Experience", the level of laughter and noise showed that it was also a lot of fun! Each of the six wines was regarded as really good; however the scores got higher as we went from light to full-bodied, so overall we Probians seem to prefer the heavier reds.

Best Red: The Formula – Robert's Shiraz, from Australia. LCBO 142935, \$20.95, Score 16.1.

Second best Red: 19 Crimes Cabernet Sauvignon, also from "Aussie", LCBO 461525, \$19.00, Score 15.7.

The "19 Crimes" refer to the 19 crimes for which Britons could be sentenced to either death or lifetime transportation to Australia – each bottle cork details one of the crimes; the one in our bottle was "Theft with a value of over one shilling".

Auriel Halliday and Don Evans

he theme was German Rieslings and Pino Noirs, so of course, a few German schnapps were included. Black Forest cake and Apple Strudel were the finishing touches. A good time was had by all.

Best White: Prinz von Hessen Classic Riesling; LCBO 523880, \$21.95, Score 13.4.

Best Red: Eugen Altschuh Pinot Noir; LCBO 550350, \$15.95, Score 14.5.
